STATE OF IDAHO**

In the Matter of the License of:

JOHN DAVID PETERSON,
License No. P-223,

Respondent.

Case No. POD-2022-1

**ORDER MODIFYING AUGUST
13, 2022, STIPULATION AND
CONSENT ORDER**

This matter came before the Board of Podiatry (“Board”) at its January 11, 2023, meeting on Respondent’s request to modify condition 27(b) of the *Stipulation and Consent Order* previously entered and approved by the Board on August 13, 2022. The original condition 27(b) required Respondent to participate in individual therapy with a licensed professional certified to provide sex addiction therapy. Respondent requests that the Board allow him to count therapy sessions with his court-ordered Adult Sex Offender Treatment Provider to fulfill this condition.

The Board being fully advised and good cause appearing,

IT IS HEREBY ORDERED that condition 27(b) of the Stipulation and Consent Order be modified as follows:

Respondent shall participate in individual therapy at Respondent’s own expense with either a licensed mental health professional who shall have at least five (5) years’ practical experience and be certified to provide sex addiction therapy, or with his licensed Adult Sex Offender Treatment Provider as ordered by the District Court as a condition of his criminal probation in *State v. Peterson*, Bonneville County Case No. CR10-19-10862.

All other provisions of the *Stipulation and Consent Order* remain unchanged.
